

VACANCY DESCRIPTION

JOB TITLE: Landscape Architect	DISCIPLINE TEAM: Landscape Architecture
OFFICE LOCATION (S): MLI Senior Landscape Architects Glasgow, Edinburgh, Nottingham, Newcastle, Leeds, Oxford, Bristol, Bradford on Avon and Redditch. ALI Landscape Architects Bristol, Shrewsbury, Oxford and Nottingham.	
SYNOPSIS: When it comes to diversity, challenge and a rewarding career you'll find SLR is hard to beat! Following the merger of SLR with Insite Environments our landscape practice is embarking on a major growth initiative to meet the expanding demand for our services throughout the UK (and North America). We are looking for dynamic and motivated Landscape Architects and Urban Designers with excellent design, communication and graphic skills to join our award-winning team, delivering a broad range of services including environmental assessment, masterplanning and public realm design. This is an excellent opportunity for candidates to actively contribute to SLR's international award-winning portfolio with diverse and challenging projects including the prestigious Northumbria University Campus covered in February's 'Landscape' magazine. For a taste of some of our other landscape projects click here	
TECHNICAL SKILLS / ABILITIES	IT literacy and proficiency in AutoCAD and Photoshop essential.
QUALIFICATIONS / PROFESSIONAL MEMBERSHIP STATUS	MLI or ALI as applicable.
SALARY	An attractive career path and remuneration package is available for accomplished applicants.
