

DESCRIPTION OF VACANCIES

VACANCIES: Ambitious Team Builders, Senior Staff and Consultants

OFFICE LOCATION: South West – Bristol, Bradford on Avon & Exeter

SYNOPSIS:

SLR Consulting is an independent and employee controlled environmental consultancy that is dynamic and fast-growing with an expanding network of offices in the UK, Ireland and North America.

SLR has opened new offices in both Bristol and Exeter and has an established growing office in Bradford on Avon. We are looking for individuals who want to rise the challenge of helping with the growth of these offices, whilst developing their teams and themselves in the process.

Whilst we are interested in candidates who are at all levels of development, we are particularly interested in professionals who have the proven ability, or the potential, for business development and the development and management of teams.

SALARY & BENEFITS

A competitive and attractive salary and benefits package would be offered to the right candidates.

If you would like to discuss these opportunities in more detail, then please get in contact with Alan Edwards (aedwards@slrconsulting.co.uk), who is a Director of SLR.

Alternatively, please submit your CV together with current salary details to Human Resources (careers@slrconsulting.co.uk)
